

**SET 1--STUDENT A**

1. Which of your publications do you find the most interesting? If you have not published yet, discuss an interesting article you have read.
2. Discuss with the other student: Would you change anything in PhD studies?

**SET 1--STUDENT B**

1. Have you ever been to a conference? Tell us about your experience.
2. Discuss with the other student: Would you change anything in PhD studies?
